DELTA SHORES COMMUNITY ASSOCIATION

A 501(c)(3) nonprofit
Neighbors helping neighbors

Welcome to Delta Shores!

Meet your community association: the neighbors who bring Delta Shores together and make sure our voice is heard.

The **Delta Shores Community Association** is a grassroots nonprofit formed by residents and local businesses who want a connected, engaged neighborhood. We're not an HOA. Your HOA takes care of maintenance and rules for your subdivision. We focus on everything else that makes a neighborhood feel like home: bringing neighbors together, and working with city leaders on what Delta Shores needs.

As Delta Shores grows, with new parks and a school planned, we're working to make sure residents help shape what comes next.

Neighborhood Association of the Year

Recognized by Sacramento City Councilmember Mai Vang, District 8.
